

PRESS RELEASE n°9/2015

MEDIA INVITATION:

The Railway Undertakings of the UIC Combined Transport Group are presenting the “2014 Report on Combined Transport in Europe” to the Press at the Munich Transport Fair on 5 May

(Paris, 28 April 2015) Over 20 million TEUs (twenty foot equivalent units) transported in combined rail road transport in Europe in 2013, an increase of 9% compared to 2011. The main driver for this development is the market segment of international combined transport with an increase of about 15%.

The Railway Undertakings present at the **Munich Transport Fair** are pleased to invite the media on site to Hall B6, **room B61**, at **12.30** on **5 May** where they will present the fifth edition of the “**2014 Report on Combined Transport in Europe**”.

Please confirm your attendance to the UIC Freight Department: gehenot@uic.org

The UIC Combined Transport Group is open to all interested railways who operate international combined transport traffic.

It currently comprises the following railways:
